Disaster Response

Teams are forming to address long-term recovery needs in Sullivan, IN, which is still recovering from the tornado that hit in March 2023. The work consists of general fix-up, flooring replacement, ceiling repairs, siding repairs, and some electrical work. We are committed to having a team in Sullivan from May 20-24. Volunteers may come for the whole week or part of the week. If you are interested, please contact [Ron Heustis](#).
